

## A New PCSO for Bodmin and Wadebridge

“ I am Scott Wheadon, a new PCSO currently training in Bodmin before I will be based at Wadebridge. Before becoming a PCSO I worked in the control room as a contact officer taking 999 and 101 calls as well as dealing with online reports. I feel this has given me great experience but I have always felt I wanted to be out helping people in the community face to face rather than from the end of the phone.

In my personal time I like to be outside and try to keep myself relatively fit through surfing or cycling with the occasional game of 5 a side football. I am looking forward to getting out, getting to know and being able to help people in the local area.”
